## AURA EDITION

Powered by  
Intel® Core™ Ultra 7 processor

### Lenovo ThinkPad X1 2-in-1 Gen 10 Aura Edition

Amp up your workday flex with the new Lenovo ThinkPad X1 2-in-1 Aura Edition, an Intel-powered multimode device delivering a newly designed ultra-premium UX and AI-accelerated Copilot+ PC<sup>1</sup> experiences. Lenovo is delivering one of the widest and deepest portfolios of AI PCs to provide a work experience that's personalized, productive and protected for you. This innovative 2-in-1 puts you in command with the power to predict your needs, enhance your creative projects, and automate mundane tasks.

# Lenovo ThinkPad X1 2-in-1 Gen 10 Aura Edition

Whether your project requires laptop, tablet, tent, or presentation mode, you'll get leading core performance, AI compute, and unprecedented power efficiency, thanks to the the latest Intel® Core™ Ultra U7 processor with an integrated AI engine (NPU).

Only Lenovo offers 360-degree flexibility with a touch display and ample ports for multifunctional productivity in a single device—no need to juggle multiple devices and dongles. The larger, more comfortable magnetized pen with improved tip is easily accessible and always in reach. Lighter than ever and boasting the longest-lasting X1 battery life, this multimode makes your on-the-go productivity even better. The elevated sound experience satisfies even the most demanding new-gen workforce, with Soundwire and a high-res 192K audio jack.

## LOCAL AI COMPUTING

With the Intel® Core™ Ultra processor with Intel® AI Boost, your AI processing stays local—and so your data. Enabling impressive onboard Copilot+ PC<sup>1</sup> experiences, this Lenovo ThinkPad Aura Edition lets you tap into generative AI while offline, including Large Language Models (LLM) and Machine Learning (ML), to create compelling copy and visuals or boost task efficiency. This Lenovo AI PC personalizes AI capabilities to evolve your productivity with intelligent decisioning and AI-driven content creation. Not only is this device smart and agile, but it also protects you with digital defense that's stronger than ever, thanks to predictive and proactive security, fraud detection, and cyber-resiliency.

## 360-DEGREE FLEXIBILITY

Can you get the power of a premium laptop, the agile productivity of a touchscreen tablet, and customer-friendly tent and presentation modes all in one device? Only this Lenovo ThinkPad Aura Edition makes it possible. Ample and diverse ports also eliminate the need to carry that pesky dongle. Plus, a larger pen with improved writing tip now magnetically clicks to the either side of the display so it's always conveniently available. Beyond flexibility, its fresh design also allows for one-finger open, contains an easy-to-repair-or-replace CRU battery, and offers a powerful new GaN 65W USB-C Slim AC Adaptor for higher wattage in a lower weight and more compact size.

## Smarter UX

Surround yourself with extraordinary. This Lenovo ThinkPad Aura Edition, imagined with Intel®, evolves the total Lenovo experience to next-level premium, from the discovery and purchase of your ideal device to a smooth UX and real-time support. Driven by an AI Virtual Sensor, **Smart Share** lets you share photos from your phone (Android or iOS) to PC with just a tap, breaking down the device barrier for instant collaboration. And when IT troubles arise, don't let them get you down. **Smart Care**<sup>3</sup> gives you access to elite tech experts with the concierge-style support—when and where you need it. **Learn more about Lenovo Aura Edition experiences at [lenovo.com/lenovoauraedition](https://lenovo.com/lenovoauraedition).**

## LENOVO AURA EDITION SMART MODES

**Minimal distraction, maximum get-it-done.**

### SHIELD

Provides AI-enhanced security features and recommends actions for digital protection.

### POWER

Optimizes energy efficiency by prioritizing performance, battery life, and fan speed.

### ATTENTION

Suppresses unwanted disruptions, so you can concentrate on the task at hand.

### WELLNESS

Promotes digital health by encouraging regular eye breaks and fostering good ergonomics.

### COLLABORATION

Enhances audiovisual effects with AI for richer collaboration, regardless of platform.

<sup>3</sup>Optional, limited globally

## Accessories

---

### Lenovo USB-C Dual Display Travel Dock

Supporting dual 4K@60 displays and delivering 10Gbps data speed, this compact and portable dynamo has 7 ports for fast data transfer, rapid charging, and plug-and-play displays.

PN:  
Without Adaptor: 40B90000WW, 40B90000US  
With Adaptor: 40B90100xx, 40B90100US

### Lenovo Wireless VoIP Headset

Designed to reduce ambient noise, optimize speech clarity, and maximize talk time, this lightweight headset delivers Bluetooth 5.3 with dual connection and is certified for Microsoft Teams.

PN: 4XD1M80020

### Lenovo Go Wireless Multi-device Mouse

Pair with up to 3 devices and effortlessly cycle between them with a push of a button thanks to Dual Bluetooth 5.0 connection with Swift Pair. Supports both wired USB-C and wireless Qi charging for fast, long-lasting charge.

PN: 4Y51C21217

## Lenovo Sustainability Services

Partner with Lenovo to implement more sustainable, cost-efficient practices across the device lifecycle and make a meaningful difference in how you use technology.

### **LENOVO TRUSCALE DEVICE AS A SERVICE (LENOVO TRUSCALE DAAS)**

This subscription model is an efficient way to manage your fleet of end-user devices, optimizing resources and costs while promoting circularity. Deploy just what you need and responsibly dispose of what you don't. Supported by our suite of services, TruScale DaaS helps you prolong device usability and create a more sustainable end-to-end journey for your IT assets.

### **LENOVO CO<sub>2</sub> OFFSET PROGRAM**

While minimizing and eliminating emissions is always the goal, carbon offsetting your IT fleet is another way to help manage your overall carbon footprint. We make it easy with a seamless, transparent process for Lenovo devices across your current IT fleet or new purchases—with a sustainability dashboard to view the offset metrics. The offsets are contributed to climate action projects verified by independent third-party organizations like the United Nations, CDM, Gold Standard®, and Climate Action Reserve.

### **LENOVO ASSET RECOVERY SERVICES**

Hardware-agnostic Lenovo Asset Recovery Services (ARS) help mitigate end-of-life IT and data security risks. We reuse parts, refurbish devices, and recycle assets. Buy-backs help you fund future IT investments. And Lenovo PCs and infrastructure hardware can get a new lease on life through Lenovo Recertified Services.

## Committed to sustainability

At Lenovo, we're focused on providing smarter technology that builds a brighter, more sustainable future for our customers, colleagues, communities, and the planet. We're determined to build a smarter future for all through the products and services we offer. And we partner with Intel, the industry leader in sustainable semiconductor manufacturing.

As we continue innovating to provide technology solutions that are more energy efficient and human centered like the Lenovo ThinkPad X1 2-in-1 Gen 10, we stay focused on empowering you to meet your own sustainability goals—and solve humanity's greatest challenges.

**REDUCING GREENHOUSE GAS EMISSIONS**

**PACKAGING SUSTAINABILITY**

**SUSTAINABLE PRODUCT DESIGN**

**SUPPLY CHAIN SUSTAINABILITY**
